THE DEPUTY of His Excellency the Governor in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the Railway Belt in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District, in the Province of British Columbia, be and the same are hereby amended so as to provide that in the Railway Belt, in the Province of British Columbia, permit berths may be granted at public auction covering isolated tracts of timber, where a survey is not necessary, not exceeding 160 acres in extent, on the following conditions:—

That all applications be accompanied by a deposit of \$50 in cash or an accepted cheque for the amount on a chartered bank of Canada, which amount shall be refunded if the berth is not offered for sale or if sold to some person other than the applicant. If, however, the applicant purchases the berth, the amount will be credited to either bonus or royalty, but if the berth is offered for sale and not sold the amount shall be forfeited to the Crown.

That all applications must be forwarded to the Department at Ottawa by the local Agent, accompanied by a report from a Timber Inspector setting out the kind, quality, and quantity of timber on the tract; if the timber on the tract is isolated; and the necessity or non-necessity for a survey, together with a recommendation from the Agent.

That the berth be offered for sale at public auction at an upset price to be fixed by the Department, and awarded to the person offering the highest cash bonus.

That before the berth is offered for sale it shall be cruised by an official of the Department in order to ascertain the quantity and quality of timber thereon, and if the quantity exceeds three million feet B.M., or its equivalent, the berth shall be advertised for at least thirty days in a local newspaper, but if the quantity is less than three million feet B.M., notices of the sale shall be posted in post-offices in the district for from fifteen to thirty days.

That all timber cut on berths granted in the Kamloops and Revelstoke Agencies shall be subject

to the rates of dues provided for in section 42 of the regulations, except on sawlogs of poplar species, where the rate shall be \$1 per thousand feet B.M., and on all other species of sawlogs \$2 per thousand feet B.M.; and also that the rate on split fence-posts shall be 1½ cents each. The rates in the New Westminster Agency shall be those provided for in section 42 of the regulations, except on split fence-posts, which shall be subject to dues of 1½ cents each.

That when a permit is taken out twenty per cent. of the dues on the timber covered by such permit shall be paid in advance, and the balance shall be paid when the timber is manufactured.

That the purchaser shall at time of sale make a cash deposit not exceeding \$300, to be retained until operations are completed and then applied to royalty or rental, or refunded.

That the permittee shall furnish returns of operations similar to those required in connection with licensed berths, and in the New Westminster Agency the timber may be scaled by a departmental scaler if the Agent thinks such action necessary, the permittee being required to pay the scaling fee to which owners of licensed berths are subject.

That the berth shall be subject to annual rental and fire-guarding charges similar to licensed berths, whether or not it is operated.
